

Fresh Clean Citrus Scent

The Ultimate Attic Disinfectant & Deodorizer
Eliminate tough attic odors at the source with Attic Fresh
Designed to neutralize smells caused by rodents, bacteria, and contaminants, it leaves your attic clean, fresh, and healthier—fast.

Before Attic Fresh.

After Attic Fresh.

Ahhh... Attic Fresh!

Attic Fresh Citrus Enzyme targets odors at the source, using powerful natural enzymes to break down organic material on a molecular level. Instead of masking smells, it destroys the bacteria and compounds causing them—leaving your space truly clean and permanently fresh.

ATTIC FRESH

Digests and liquefies organic waste, grease and food by-products

- Non-Toxic • Non-Acidic
- Non-Alkaline • Non-Pathogenic
- Non-Polluting. May be used to **eliminate odors** from insulation, decking, wood, fabrics & carpet.

Comfort & Efficiency
Start in the Attic.
