

The Attic Depot Roof Cleaner makes cleaning easier than ever with its Activated-Oxygen formula that penetrates deep to break down algae, fungus, and stubborn grime at the source.

Tough on buildup, yet safe for your home, family, and surrounding surfaces.

- **Powerful**— Activated oxygen penetrate deep into surfaces, breaking apart algae, dirt, fungus and scum!
- **Safe**—Leaves nothing behind but water and oxygen—safe for plants, and gentle to use around pets, kids, & waterways.
- **Effortless**— Foams on contact and rinses away as years of neglect lift away and rinse away with no scrubbing required.
- **Gentle yet powerful**—tough on roofs and driveways, but safe for acrylic, clay tiles, fabrics, fiberglass, grout, marble, metal, plastic, stone, stucco and more.

- Environmentally-safe
- Non-toxic, no bleach
- Spray & rinse with water
- Pet, plant and people friendly
