

The Attic Depot

Solar Attic Fan

Limited Lifetime Warranty

Limited Warranty Notice

The Attic Depot Solar Attic Fans are warranted against manufacturing defects for the life of the fan. This Limited Lifetime Warranty is valid from the date of original purchase and applies only to manufacturing defects occurring under normal and reasonable use, subject to the installation guidelines contained in the product instruction manual. This warranty is non-transferable.

What Is Covered

The Attic Depot warrants its Solar Attic Fans to be free from defects in materials and workmanship when leaving the factory. If a component is found to be defective due to a manufacturing defect, The Attic Depot will provide a replacement component or replacement fan, **not labor**, at its discretion.

What Is Not Covered

This warranty does not cover damage resulting from improper installation, failure to provide necessary and reasonable maintenance, misuse, abuse, unreasonable use, accidents, storms, or Acts of God. The Attic Depot will not honor claims for damage to any product beyond replacement of defective components or a defective fan. This warranty does not cover labor, removal, reinstallation, roof repairs, leaks, or other incidental or consequential damages. Improper installation resulting in a roof leak or other issues must be addressed by the contractor or service provider who installed the fan. The Attic Depot does not warranty installation services.

Warranty Registration

Customers must register their warranty at **www.theatticdepot.com** using the **Warranties** link to receive the full Limited Lifetime Warranty coverage. Fans that are not registered will receive a **20-Year Limited Warranty**.
